

Playclub Catalogue 2017

The Playclub Project provides fun, interactive learning activities to engage parents in raising attainment in phonics, reading, writing, communication and language for EYFS and KS1 children.

This project will help your school/setting to:

- ★ Provide activities which stimulate **communication and language development** at home
- ★ Engage parents in helping to **raise attainment** for all in the **Year 1 phonics screening check**

- ★ Enable the key person to '**engage and support parents/carers** in guiding their children's development at home' (requirement of the **EYFS Framework**)
- ★ Meet the criteria in the **Ofsted Framework** on 'helping parents to support their children's learning'
- ★ Evidence use of **Pupil Premium funding** by raising achievement in low attaining pupils.

This successful, sustainable project involves schools and settings loaning a variety of exciting Playclub bags to families every week over 6 weeks, with achievements being recorded and celebrated through a Playclub card and certificate.

"It's been very successful and had a massive impact on the progress of the children involved. It's just right for targeted children in receipt of Pupil Premium funding."

Headteacher, Irk Valley Primary School

Playclub Project Resources

To order full Playclub sets, see back page

PLAYCLUB 1: 8 blue bags for Phase 1 letters and sounds (phonics) with activities to support communication and language development – from fishing ducks out of the bath to selling currant buns or looking for insects in the park.

"I learnt how to use the ideas in everyday life as well as incorporating bags into the home, e.g. bathtime, bedtime, playtime. It makes us realise that all learning is fun.

We can't wait to fish ducks out of the bath, buy a currant bun or go on a bear hunt!"
